My Authors

You do not deserve to wear that robe. 🔗

General Flynn, an innocent man willing to destroy every minute of his life, everything he has achieved, to save his son. When both of them are innocent and attacked by others. 🔗

You, allow your sons to harm others. And in your own corruption you continue that corruption to cover theirs. No matter how many lives are destroyed. The only thing you seem to be competent in doing is destroying innocent lives.
And selling your position to fix things. 🔗

You hid it so well, you had a lot of help, but you definitely hid it well.
Laundering money through dead people's names, your "incident" at Howard University, at least she was over 18, the other incident at that party. I can see where your son's get it. And on and on. 🔗

So much more, so many records, especially when one knows where to dig.
You don't have the help you used to, the layers of your onion are being peeled back, but you're the one who's going to cry this time. 🔗

These are terrible, libelous statements, if untrue. I encourage you to abuse your authority once again and haul me in to your farcical court. I have so much to put on the record, I look forward to that. But even more, that young lady I mentioned earlier, she's an adult now, 🔗

and living on her own. And she wants her day in court as well. 🙏
Nearly everything has been taken from me already, if all I have left in me is to help clear General Flynn and help heal that young woman by exposing your corruption then so be it 🙏🙏🙏 🔗

So corrupt judge Sullivan, hires an attorney that represented Cheryl Mills in a case about Hillary Clinton's emails? A case that he, Sullivan, presided over?
A case that he "nuanced" to ensure his corrupt behavior stayed hidden?
How odd🤔🤔🤔 🔗

Try unrolling a thread yourself!

The screenshot shows a Twitter thread. At the top, there are icons for replies (28), retweets (289), likes (730), and a direct message icon. Below this is a text input field with a placeholder "Tweet your reply" and a "Reply" button. The thread consists of two tweets by Matthew Ball (@ballmatthew) dated Dec 3. The first tweet says: "2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership". The second tweet says: "3/ To point, the shows will remain NETFLIX ORIGINALS for years, Disney would have to buy them back (and says they don't fit with Disney+'s positioning and".

Mr. (judge🙄) Sullivan, I had hoped all along that you would do the right thing, that you would realize that what you're trying to hide is known by people on both sides. I had hoped in knowing that you would consider the situation moot and do the right thing.

You did not. Instead you turned to your friends for more political favors and cover. So maybe exposing some of those crimes will prompt you to recuse yourself. It's obvious you can't be relied upon to do your job impartially and dismiss all

Police departments across the Nation have been doing "safety checks" for a long time. Many times they proved not to be necessary but they have saved many lives because of it. Now they are drafting orders for "Covid wellness checks".

These Checks will not only be performed by the police, healthcare personnel, first responders, and LATER bye ordinary People hired specifically for these "checks".

We already have hotlines where people can rat out others, now neighbors with a beef can send wellness checks
